

*PROFESSIONAL LAW ENFORCEMENT  
ASSISTANTS ASSOCIATION*

**SCHOLARSHIP APPLICATION**

One of the tenants of the Professional Law Enforcement Assistants Association is to provide relevant training to its members and participants. In this time of economic hardship, we realize that some agencies have had to cut back on training dollars. We are therefore proud to announce that we have started a new scholarship program to work with those individuals.

All applications will be reviewed and awarded by the PLEAA Board. Board members are exempt from receiving a scholarship.
